

Connect with the world's thought leaders on water and beyond

BECOME A SPONSOR OF THE AMSTERDAM INTERNATIONAL WATER WEEK CONFERENCE

The AIWW conference is a dynamic platform that offers you many opportunities to interact with thought leaders, specialists, young water professionals and the business community.

- Festive opening with high level keynotes and guests
- Industry, city, and utility leaders forums
- Case labs: decision makers and specialists discuss specific water issues for cities or industries
- Indepth labs: Scientists and specialists discuss solutions and approaches
- Excursions to state of the art innovations and field visits
- The Young Water Professionals Program
- The Sarphati Sanitation Award
- The online and print exchange platforms, where the discussion continues before and after the event
- The Netherlands Water Pavilion at the Aquatech Exhibition
- The Country partnership program
